FOUR-STROKE

F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering options, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and uncluttered set-up, and an unobstructed transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearlrescent white, the F150 model line-up brings a new level of next-generation boating.

POWERTRAIN

- 2700cc (Digital Control) or 2670cc (Mechanical Control) engine options.
- Four-cylinder in-line design delivers excellent fuel efficiency.
- Integrated Electro-Hydraulic or Integrated Hydraulic Steering options.
- Built-in 10-litre tank.
- 2 colour options with raised graphics.*

Description

Ready for the water? The Haines Hunter 625 Sport Fish is the boat for you. It's packed with stuff you need for fishing and cruising. With the Fish Factory package, you get a winch for your anchor, a pump to keep the boat dry, and loads of storage for your gear. The seats are comfy, and there's even a spot to keep your drinks while you're fishing. Plus, it's got a big tank for live bait and holders for your fishing rods.

This boat comes with a strong Yamaha F150HP motor, so it moves fast and smooth. Steering's easy, too, thanks to the fancy steering system. And with the Garmin Chartplotter, you won't get lost and can find the best fishing spots. It's also got a big fuel tank, so you can stay out longer without worrying about running out of gas.

There's also a trailer to move your boat around, a cover to keep it safe, and a battery setup that wont let you down. The bimini top keeps you cool on sunny days. So, whether you're fishing or just cruising with friends, this boat's got you covered.
