F175

Yamaha's popular and proven range of F175 Digital and Mechanical Control outboards now feature a newly designed look and integrated steering, taking these engines to the next level when it comes to power, reliability and control.

The integrated hydraulic steering system is housed in a neat, sealed cylinder unit, which is built into the transom bracket of the engine, rather than being a third party bolt-on component. This results in a simple and clean rigging set-up, and an uncluttered edge and transom area, while exposing less components to the elements for improved long term durability and reliability.

Description

Check out the HAINES HUNTER 625 SPORT FISH, the go-to boat for fishing fans and sea adventurers. It's built tough with a YAMAHA F175HP 4-STROKE engine that starts up easy and keeps you moving smooth. The boat's steering is a breeze, thanks to the hydraulic system, making it simple to steer through waves.

This boat's got everything you need for a great day out. With comfy seats up front and plenty of room to stash your gear, its all set for fishing or just kicking back. Youve got a big bait tank and a handy bait board for all your fishing needs. Plus, it's got all the safety stuff like a bilge pump and lights, so you can relax and enjoy your time on the water. It looks sharp too, with a sleek hull and windscreen that stands out.

And theres more to love, like the Garmin Chartplotter for finding the best spots and keeping track of where you are. The bimini top with clear sides gives you some shade without blocking your view. When its time to hit the road, the Alloy Easytow Tandem Trailer makes loading and unloading easy. The HAINES HUNTER 625 SPORT FISH isnt just a boat; its your ticket to fun and adventure on the water.
