

POLYCRAFT 599 Frontier Cuddy Cabin Pack 2

\$72,790

FOUR-STROKE

F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering systems, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered helm area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearlrescent white, the F150 model line-up brings a new level of next generation boating.

ADVANCED POWER PLANT

- 2700cc Digital Control or 2670cc Mechanical Control engine options.
- Four-cylinder in-line design delivers excellent fuel efficiency.
- Integrated Electro-Hydraulic or Integrated Hydraulic Steering options.
- Built-in tilt limiter.
- 2 colour options with raised graphics.*

Description

The 5.99 Frontier Cuddy Cabin is a true offshore boat that delivers performance, style and comfort in a boat which is exceptional value for money.

The Cuddy Cabin has plenty of room, storage facilities, and is big enough to be used for overnight stays.

A large forward hatch in the Cuddy Cabin provides trouble free access to the anchor well located in the bow of the boat.

Both fisherman and recreational boaters alike will appreciate the huge amount of internal space in this boat, thanks to the massive 2.50 metre beam.

Don't just take our word for how great this boat performs, try a test drive today at your local Polycraft dealer. The ride, comfort and stability has to be experienced to be believed.
