Description

The Quintrex 540 Fishabout stands out for its classic design paired with modern functionality, making it a top choice for both leisurely cruises and serious fishing expeditions. Painted in an elegant white with striking stripes and decals, the Fishabout combines style with substance. The accompanying Quintrex Braked Trailer 1595ATM features alloy I-beam construction, 14-inch alloy wheels and tyres with disc brakes, and LED lights, ensuring safe and secure transportation. The trailer is also equipped with adjustable keel rollers and long skids for easy loading and unloading, along with a forward-facing white light for enhanced visibility.

The Yamaha F115HP 4-Stroke engine offers reliable and efficient power, featuring forward control with a 703 control box, electric start, and power trim and tilt. Its SDS Alloy Prop and fuel filter, along with dealer delivery and training, ensure that you're ready to hit the water running. Safety and convenience are enhanced by the inclusion of a marine battery with an isolation switch, a Garmin Striker Vivid 7SV Fishfinder for navigational excellence, and a Bimini and Envelope for protection from the elements. Additional features like under-cockpit cargo/luggage netting and upgraded cockpit lights make the Quintrex 540 Fishabout an exceptional choice for those seeking adventure on the water.
