FOUR-STROKE F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering options, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearl-iridescent white, the F150 model line-up brings a new level of next-generation boating.

Description

Your immediate chance to own a freestyler PRO at a NEVER to be repeated price! This is a brand new package, it's never been off the trailer and it's waiting for you!

Dressed in two tone black paint, this boat stands out and looks unreal! Matching it's custom paint, you have hand laid lime green stripes and shark gery performer carpet. The boat has comfort in mind, should the weather turn bad you've got a bow tonneau cover ready to be clipped on in seconds and a storm cover for transport and storage.

Your new boat comes on a Telwater drive on drive off Alloy trailer, to keep you out of trouble the trailer comes with a spare wheel and carrier that matches the black alloy rims already fitted. For ease of launch and retrieve it's even fitted with a catch and release system on the trailer.

Being a PRO pack this boat has a long list of factory inclusions like a ski pole, cockpit lights and bunk infill cushions to name a few, however we've added some perfect extras!
