

Haines Hunter 585R + Yamaha F175hp 4-Stroke - PACK 2 FOR SALE

\$121,190

FOUR-STROKE F175

Yamaha's popular and proven range of F175 Digital and Mechanical Control outboards now feature a newly designed look and integrated steering, taking these engines to the next level when it comes to power, stability and control.

The Integrated Hydraulic Steering system is housed in a neat, sealed cylinder unit, which is built into the custom bracket of the engine, rather than being a third-party bolt-on component. This results in a simple and clean fitting set-up, and an uncluttered bilge and transom area, while ensuring less components to the assembly for improved long-term durability and reliability.

Description

Experience the ultimate blend of performance and versatility with the Haines Hunter 585R, paired with a premium Pack 2 setup. Sitting on an Alloy Easytow tandem trailer rated to 2300kg, it offers safe, stable towing with galvanised axles, slipper springs, stainless bearing buddies, and breakaway brakes for peace of mind on long trips. Power comes from a Yamaha F175HP 4-stroke with hydraulic steering, digital gauges, and stainless steel prop, delivering smooth, efficient performance for inshore and offshore use. Navigation is handled by a Garmin UHD2 95SV chartplotter/sounder with preloaded Australia and New Zealand mapping on a clear 9-inch display. Comfort and practicality are covered with a bimini, clears, carpeted cockpit, marine battery with isolation switch, motor support block, and full bunk infill for relaxed days on the water.
