**YAMAHA F200**

Yamaha's F200 Digital and Mechanical Control outboards now feature integrated steering options, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, located neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered console area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearl-sunburst white, the F200 model line-up brings a new level of next-generation boating.
