

## Polycraft 300 Tuffy - HULL ONLY FOR SALE

\$3,129 - HULL ONLY PRICE

### Description

Small but seriously capable, the Polycraft 300 Tuffy Hull is a tough little boat that's built for Aussie conditions and perfect for sneaking into those shallow creeks and hard-to-reach fishing spots. Originally designed as a tender, it quickly became a favourite with anglers thanks to its outstanding stability and shallow draft, and the latest model steps it up with extra storage, a handy casting deck and an improved hull shape for a better ride. The non-slip floor and wide gunwales make it safe and easy to move around, while raised-lip storage, an anchor well with drainage, rod holders and bigger rear steps add real practicality. Built from UV-stabilised polyethylene, the 300 Tuffy is low maintenance, super durable and ideal as a compact fishing boat or reliable tender that's ready for years of use.
