This premium package is powered by a reliable Yamaha F60HP 4-Stroke outboard motor, complete with electric start, power trim and tilt, for seamless operation. Expertly fitted with an alloy prop and fuel filter, the Yamaha F60 delivers exceptional fuel efficiency and quiet performance, making it perfect for long days on the water. Complementing the motor is a custom-fitted Evolution Single Axle Trailer, designed specifically for Polycraft boats with Teflon keel pads, adjustable side skids, and submersible LED lights for easy transport and launching. Built with Australian steel, this trailer is as tough as the boat it carries.

A marine battery with an isolation switch ensures dependable power. With all these features combined, the Polycraft 450 Drifter Runabout delivers exceptional value and performance for boating enthusiasts who demand the best. Its spacious design comfortably accommodates passengers. Paired with its shallow draft and excellent stability, the 450 Drifter Runabout is ready to explore rivers, estuaries, and coastal waters with ease.
