Description

In-stock now - Quintrex F350 Outback Explorer

Quintrex F350 Outback Explorer is a lightweight yet tough open dinghy, perfectly matched with Yamahas reliable 15HP four stroke outboard and a Quintrex alloy trailer. At 3.50m, this compact tinnie is painted with light red and Olympic blue stripes, fitted with carpeted flooring and a carpeted fuel tank rack for a neat, practical finish. Short side rails and a bow rail add security on board, while twin rod holders and a transducer bracket set it up for fishing trips. This package is ideal for estuary runs, freshwater dams, crabbing, or as a tender, being easy to tow, launch and handle solo. Affordable to run and maintain, its a smart way into boating for both new and experienced skippers.
