Description

In-stock now - Quintrex 420 Explorer

Quintrex 420 Explorer is a rugged tinny that's ready for fishing, crabbing and exploring local creeks and estuaries. Powered by a reliable Yamaha F40HP four stroke tiller, this package delivers excellent fuel economy, quiet running and plenty of punch to get you where you need to go. With a Fighter Series hull design, front and rear casting decks, thruster plate for an electric motor and Garmin electronics fitted, it's a tough little package built for serious inshore anglers. Easy to tow and launch with its light alloy trailer, this boat is designed to get you out on the water without hassle.
