\$39,800

Description

Built for getting out on the water and chasing fish, the Quintrex 430 Top Ender is a simple, capable rig that's right at home in rivers, estuaries and inshore runs. The tournament-style layout is what makes it stand out, with a centre console and wide open deck giving you true 360-degree fishability and plenty of room to move, cast and fight fish from any angle. Finished in clean white, it's a tidy looking boat that's made to handle real conditions. Powered by a Yamaha F60HP 4-stroke, it's easy to drive and reliable, with electric start, power trim and tilt and forward control making everything straightforward. You've got a 703 control box and digital gauges to keep an eye on things, plus an alloy prop that's tough and built for everyday use.
