Description

In-stock now - Quintrex 440 Renegade SC

Quintrex 440 Renegade Side Console with Yamaha 60HP 4-stroke and a braked alloy trailer, a versatile fishing package designed for creeks, estuaries, and bays. The Blade Hull gives a soft and dry ride, while the side console opens up the deck for casting and fishing space. Painted with light red and black highlights and finished in Shark Grey carpet, it has a sharp, practical look that is easy to maintain. The raised casting deck includes a live bait tank, with plenty of underfloor storage, rod holders, and side pockets to keep gear organised. Smooth mechanical steering, comfortable Angler Sport seating, and a welded deck and gunnels package complete a tough fishing rig ready for adventure.
