45,500 WAS \$50,580

### Description

STOCK CLEARANCE - 460 RENEGADE PRO SC - \$5K OFF

The Quintrex 460 Renegade Pro Side Console has proven itself on display and is now ready to stand out on the water with its eye-catching Sandbar paint finish. Powered by a reliable Yamaha 70HP 4-stroke and paired with a braked alloy 1298ATM trailer, this package is built for anglers who want a tough, practical fishing boat that performs just as well as it looks. Designed with serious fishability in mind, the Blade Hull delivers excellent stability at rest and a smooth ride underway. The raised casting platform, plumbed live bait tank, and multiple rod storage options make it a highly capable fishing setup, whether you're working estuaries or inshore waters.

Factory features add even more value, including a 77L underfloor fuel tank for extended trips, side pockets and rod holders for easy storage, and a functional anchorwell. The stainless step and rail improve access and safety, while the wireless phone charger and Volante steering wheel with hydraulic steering bring a modern, comfortable touch to the helm. Finished with Midnight Black carpet throughout, it has all the bells and whistles without sacrificing the rugged durability the Quintrex range is known for.
