Description

In-stock now - Quintrex 460 Renegade SC

Quintrex 460 Renegade SC is a tough side console that's easy to tow and built for lakes, estuaries and the bay. This stock boat is unpainted with carpeted decks for low fuss fishing, paired to Yamaha's F70HP 4-stroke with forward control, dual digital gauges, 703 control box, power trim and tilt and electric start for simple, reliable days on the water. A braked alloy skid trailer completes the package for straightforward launch and retrieve. Smart factory options lift usability, including a bow thruster bracket, an extra seat position in the front casting deck and welded top decks and gunnels for durability. Safety gear, battery system, fuel filter and motor support are included so you're ready to hitch up and go.
