Description

In-stock now - Quintrex 481 Top Ender

Quintrex 481 Top Ender is a versatile side console built for bays, dams and estuaries. This in-stock package is factory painted in Telwater Quantum White with two tone Vortex Grey sides, carpeted decks and current Quintrex decals, then powered by Yamahas punchy F90HP 4-stroke with LAN digital gauges and 703 control. A braked alloy skid trailer makes towing, launch and retrieve simple. Handy factory options add the bow thruster bracket, cockpit lighting, Catch and Release launch latch and a bimini with matching canvas so you can fish in comfort. Safety gear, battery system, fuel filter and motor support are included, so you can hit the water straight away.
