Description

Optioned up with the Pack 3 upgrade from our expert crew, the Quintrex 500 Fishabout Pro is a cracking all-rounder that mixes family comfort with proper fishing features in one easy-to-own 5-metre runabout. Finished in classic Quintrex paint with bold decals, it rides on the proven Blade Hull for a smooth, stable run across bays and coastal waters. Handy touches like the transom door and cargo netting under the cockpit make it practical for fishing trips, while still keeping things comfortable for laid-back days with the family. Power comes from the Yamaha F90HP 4-stroke with electric start, power trim and tilt, SDS alloy prop and twin digital gauges, professionally fitted with a 703 control box for reliable, smooth performance.
