\$70,770

Description

Set up as a Pack 1 by our experts, the Quintrex 510 Freestyler is a compact, practical runabout suited to family days, tubing, and relaxed time on the water. The Apex Hull gives it solid stability at rest and a comfortable ride through chop, with a layout that's easy to move around in. The bow area is flexible, working as seating or open space depending on what you're doing, and the overall setup keeps things simple and usable without overcomplicating it. Powered by a Yamaha F90HP four-stroke, it's quiet, fuel-efficient, and easy to run. The Quintrex alloy braked trailer is set up for easy towing and straightforward ramp use.
