Description

Set up as a Pro Pack, the Quintrex 510 Frontier SC is a tough, no-nonsense Aussie fishing rig built for serious time on the water. The Apex Hull gives it excellent stability and grip, while the painted finish and smart layout keep it practical and ready for rough or calm conditions.

Powered by a Yamaha F115HP four-stroke, it delivers smooth, reliable performance with easy starting, trim and tilt, and solid fuel efficiency. The Quintrex alloy trailer makes towing and launching simple and stress-free. Upgraded Garmin electronics handle navigation and fish finding with sharp clarity, while the deck setup includes rod storage, live bait capability, deck wash, and a bimini for shade. With added safety gear, transom door access, and full registration, this Frontier Pro is built to fish hard and go anywhere.
