Description

Set up as a Pack 2, the Quintrex Frontier is a smart Aussie fishing rig built for versatility, stability, and easy days on the water. The Apex Hull gives a solid, dry ride with great handling, while the side console layout keeps the deck open and practical for casting, fishing, or moving around with gear.

Powered by a reliable Yamaha four stroke, it delivers smooth, quiet performance with easy control and solid fuel efficiency. The Quintrex trailer setup makes towing and launching simple, while dual batteries keep everything running without stress.
