Description

Set up as a Pack 3, the Quintrex 510 Frontier SC is a tough little Aussie fishing rig that's built for proper time on the water. The Apex Hull gives it great stability and a smooth ride, while the painted two-tone finish and smart layout keep it looking sharp and practical.

Powered by a Yamaha F115HP four-stroke, it's got strong, reliable punch with smooth acceleration, electric start, and easy trim and tilt. The Quintrex braked trailer makes towing and launching straightforward, with alloy wheels and rollers for hassle-free use at the ramp. Up top, Garmin electronics handle navigation and fish finding with crisp detail, while the deck setup includes rod storage, live bait options, deck wash, and bimini protection. Add in seating comfort, safety gear, and full registration, and this Frontier is ready to fish hard and go anywhere.
