

Quintrex 520 Top Ender SC + Yamaha F115HP - I'M SOLD!!

\$67,320

Description

In-stock now - Quintrex 520 Top Ender SC

The Quintrex 520 Top Ender SC is a legend among Australian fishing boats rugged, roomy, and designed to handle anything from estuaries to coastal waters. Built with Quintrex's famous Blade Hull for a soft, dry ride, this side console model offers exceptional stability at rest and smooth performance underway. Paired with a Yamaha F115HP 4-stroke, it delivers strong acceleration, quiet operation, and outstanding fuel economy. This package is loaded with quality upgrades including a Garmin UHD2 95sv combo, transom door, bow-mount thruster plate, and black canvas bimini. Whether chasing barra up north or snapper in the bay, this Top Ender is ready for serious fishing adventures.

Pack Inclusions

QUINTREX 520 TOP ENDER SC (Side Console) - Painted in Quantum White with Anthracite Grey stripes, carpeted, featuring standard factory inclusions such as Blade Hull design, flared bow, 95L fuel tank, live bait tank, raised casting platform, anchorwell, low split bowrail with bow roller, glove box, 4 rod holders, transducer brackets x2, side pockets, mechanical steering, and stainless steel rear ladder.

QUINTREX BRAKED TRAILER 1400ATM - 13-inch alloy wheels, alloy I-beam frame with disc brakes, adjustable skids, LED lights, 50mm braked coupling, swing-up jockey wheel, 7-pin plug, and 5:1 winch for easy towing and launching.

YAMAHA F115HP 4-STROKE - EFI 4-cylinder X-long shaft with forward control, 703 control box, 2x LAN multifunction digital gauges with fuel flow, power trim and tilt, electric start, SDS alloy prop, fuel filter, workshop fitted and tested, dealer delivery and training.

BIMINI AND ENVELOPE - Jet Black canvas with black piping for stylish sun protection and a sleek finish.

GARMIN ECHOMAP UHD2 95SV - 9-inch colour combo with AUS/NZ charts for crystal-clear sonar and mapping.

THRUSTER BRACKET BOW MOUNT - Ready to fit a bow-mount electric motor for precision boat control.

TRANSOM DOOR - Convenient rear access for swimmers, divers, or easy boarding at the ramp.

COCKPIT LIGHTS (2) - LED lighting for added visibility and safety during night sessions.

CATCH AND RELEASE BRACKET - Drive-on single-person launching system for easy use at the ramp.

HYDRAULIC STEERING UPGRADE - Smooth, responsive handling for effortless control.

TRIM TILT LIMIT SWITCH - Prevents engine over-tilt and protects the transom and cables.

MARINE BATTERY (780CCA) BOX - Reliable high-cranking power, professionally fitted.

12-MONTHS QLD REGISTRATION FOR BOAT AND TRAILER.

INSHORE SAFETY GEAR PACKAGE (Over 480) - 70L waterproof bag, 4x Type 1 lifejackets, LED torch, V-sheet, signal mirror, 2x telescopic paddles, anchor kit with rope and chain, inshore flares (2 red, 2 orange), and 1kg fire extinguisher.
