**KNOW THE WATER BETTER THAN A LOCAL**

When it comes to knowing more fish, they say "Talk is a tool." With the ECHOMAP UHD2 chartplotter, which offers an unparalleled view and tracking and precision bottom data with real-time, you'll know the water even better than the fish.

### Description

Quintrex 520 Top Ender SC in this upgraded package adds key electronics and usability features, making it a strong all-round fishing platform. The open side console layout provides maximum deck space for casting and movement, while the larger hull improves stability and ride comfort. Ideal for estuary and inshore fishing, this setup combines a Yamaha F90HP 4-stroke with navigation and communication upgrades, giving you confidence and control on every trip.
