Description

Set up by our experts as a Pro Pack, the Quintrex 530 Freestyler is a simple, capable all-rounder built for easy days on the water. Finished in sleek white, it sits on a Quintrex braked tandem trailer with alloy wheels, cross members, spare wheel, and a catch-and-release bracket for easy ramp use. Power comes from a Yamaha F130HP 4-stroke with forward control, 703 box, dual LAN gauges, electric start, power trim and tilt, and SDS alloy prop for smooth, reliable performance. A Fusion RA60N stereo with four speakers handles entertainment, while a bimini and envelope with clears, tonneau cover, barn door, transom door, ski gear, folding cleats, and a marine battery with isolation switch keep it practical and ready to go.
