77,020.00

Description

Set up as a Pack 2, the Quintrex 530 Frontier SC is a tough, practical Aussie fishing rig built for real time on the water. The Apex Hull delivers solid stability, clean handling, and a dry ride, while the wide casting platform and open side console layout keep things simple and functional for fishing or cruising.

Powered by a Yamaha F115HP four-stroke, it runs smooth and efficient with reliable starting, trim and tilt, and easy low-maintenance performance. The Quintrex alloy braked trailer makes towing and ramp work straightforward, with strong support and safe road handling.

Garmin electronics provide sharp sonar and mapping for confident navigation and fish finding, while dual batteries, bimini protection, live bait setup, and deck wash keep the boat ready for long, no-fuss days on the water.
