Description

In-stock now - Quintrex 550 Territory Legend CC

Quintrex 550 Territory Legend steps up with a tough centre console layout built for serious bay and inshore work, plus easy days with the family. Paired with Yamahas fuel-efficient F115HP 4-stroke and a braked tandem trailer, this package is dialled for fishing, island hops, and exploring. Factory hydraulic steering, raised casting platform, live bait tank and heaps of deck space make it a standout fishos rig, while the composite carpeted floor adds grip and comfort underfoot. Extra range from the secondary fuel tank, an alloy cutting board, and an electric motor bracket round out a turn-key setup that is ready to hit the water now.
