**Description**

Set up by our experts as a Pro Pack, the Quintrex 590 Cruiseabout Pro is a stylish, well-equipped bowrider built for families who want comfort, power, and versatility. Riding on the Blade Hull, it delivers a smooth, stable experience across bays and coastal waters. Key upgrades like a live bait tank, ski hooks, transom door, and extended bimini shade make it ready for both fishing and watersports.

Powered by a Yamaha F150HP four-stroke, it offers strong, quiet performance with hydraulic steering and digital gauges. The tandem alloy trailer makes towing and launching easy, while Garmin electronics provide clear navigation and sonar. Finished with weather protection, safety gear, and QLD registration, this package is a complete, ready-to-go boating setup with no compromises.
