

Quintrex 590 Frontier PRO SC + Yamaha F150hp - PRO PACK FOR SALE

\$106,914

Description

Set up as a Pack 3, the Quintrex 590 Frontier Pro SC is a serious fishing rig with a clean, functional layout and plenty of space to work fish. The Apex Hull gives it good stability at rest and a predictable ride through chop, whether youre fishing rivers, bays, or heading wider. Power comes from a Yamaha F150HP four-stroke, giving strong, smooth push with easy trim and tilt and no unnecessary fuss. Its a proven setup that suits longer runs and loaded days well. The Garmin 12 system with upgraded sonar gives clear structure and bait readings, making it easier to stay on fish. Fishing features like rod storage, cutting board, deck wash, and bimini shade keep it practical, while safety gear and battery system mean its ready to go straight off the ramp.

* Images are of the standard 590 Frontier, not the 'PRO' model. Please refer to features list below for all PRO model inclusions.*
