

## Quintrex 590 Frontier SC + Yamaha F130hp - PACK 1 FOR SALE

\$84,030

### Description

Set up as a Pack 1, the Quintrex 590 Frontier SC is a big, open fishing platform built for space, stability, and easy day-to-day use. The Apex Hull gives it a steady ride and predictable handling, with plenty of room up front to move around when you're fishing. The side console layout keeps the deck clear, making it easy to work a lure or bring fish alongside. Storage is sorted with side pockets, rod holders, anchorwell, and underfloor space for the usual gear. Powered by a Yamaha F130HP four-stroke, it's got enough torque to push along comfortably without being thirsty, and it's simple to run and maintain. The Quintrex alloy tandem trailer is set up for straightforward towing and easy ramp work.
