\$105,219

### Description

Set up by our experts as a Pro Pack, the Quintrex 590 Ocean Spirit Pro is a properly fitted out half-cabin built for fishing trips, family cruising, and longer days on the water. The Blade Hull gives it a smooth, stable ride, while the painted finish and roomy layout make it practical and good-looking at the ramp.

Power comes from a Yamaha F150HP four-stroke, delivering strong, quiet performance with hydraulic steering, trim and tilt, and easy digital controls. Its matched to a tough braked tandem alloy trailer, making towing and launching simple and secure. Up top, Garmin electronics and a drum winch handle navigation and anchoring, while twin batteries keep everything running reliably. Add in the bimini with clears, live bait tank, rod holders, and transom door, and youve got a fully equipped rig ready to hit the water.
