

Quintrex 590 Ocean Spirit + Yamaha F150hp - PACK 2 FOR SALE

\$92,960

FOUR-STROKE F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering systems, combining power, reliability and control. Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term availability and reliability.

Available in signature Yamaha grey and pearlrescent white, the F150 model line-up brings a new level of next-generation boating.

Description

Set up by our experts as a Pack 2, the Quintrex 590 Ocean Spirit is a solid half-cabin built for Aussie conditions, whether you're heading offshore for a fish or cruising the coast with the family. Its Blade Hull gives a stable, predictable ride, while the 6.14m length and wide beam mean there's plenty of space to move, store gear, and relax up front in the cabin.

Power comes from a Yamaha F150HP four-stroke, delivering strong, smooth performance with hydraulic steering, trim and tilt, and easy digital engine info. Its matched to a tough tandem alloy trailer that makes launching and towing straightforward. Onboard, Garmin electronics take care of navigation and sounder duties, while the bimini and clears give solid weather protection. With safety gear, transom door, and 12 months QLD rego included, it's a ready-to-go setup for serious time on the water.
