Description

Set up by our experts as a Pack 2, the Quintrex 590 Ocean Spirit is a solid half-cabin built for Aussie conditions, whether youre heading offshore for a fish or cruising the coast with the family. Its Blade Hull gives a stable, predictable ride, while the 6.14m length and wide beam mean theres plenty of space to move, store gear, and relax up front in the cabin.

Power comes from a Yamaha F150HP four-stroke, delivering strong, smooth performance with hydraulic steering, trim and tilt, and easy digital engine info. Its matched to a tough tandem alloy trailer that makes launching and towing straightforward. Onboard, Garmin electronics take care of navigation and sounder duties, while the bimini and clears give solid weather protection. With safety gear, transom door, and 12 months QLD rego included, its a ready-to-go setup for serious time on the water.
