F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering options, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered trim area, while requiring less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and prismatic white, the F150 model line-up brings a new level of next-generation boating.

Description

Set up by our experts as a Pack 3, the Quintrex 590 Ocean Spirit is a premium half-cabin built for Aussie coastal adventures, offshore runs, and long weekends away. The Blade Hull keeps the ride smooth and stable, while the 6.14m length gives you proper space for family, gear, and fishing without feeling cramped.

Power comes from a Yamaha F150HP four-stroke, giving you strong, quiet performance with hydraulic steering and easy digital engine info. Its matched to a tough tandem alloy trailer that's built for stress-free launching and towing, whether you're solo or with the crew. Onboard, Garmin electronics and VHF radio keep you sorted for navigation and safety, while Fusion audio brings the tunes. Add in the cabin comfort, folding lounge, rod storage, and full weather protection, and you've got a properly sorted rig that's ready for anything.
