Description

The Quintrex 600 Fishseeker stands out as a very large open boat with an expansive internal layout, making it perfect for crab potting, netting, fishing, and camping adventures. With plenty of room to accommodate your gear and activities, its built for both utility and leisure. Its impressive length, paired with the renowned Quintrex Blade Hull, ensures exceptional performance on the water. This design delivers a dry, soft, and remarkably comfortable ride, while its size provides stability and confidence, even when navigating large swells.
