

Quintrex 630 Freestyler + Yamaha F175hp- PACK 2 FOR SALE

108,600

**F175**

Yamaha's popular and proven range of F175 Digital and Mechanical Control outboards now feature a newly designed look and integrated steering, taking these engines to the next level when it comes to power, reliability and control.

The Integrated Hydraulic Steering system is housed in a neat, sealed cylinder unit, which is built into the transom bracket of the engine, rather than being a third-party bolt-on component. This results in a simple and clean rigging set-up, and an uncluttered bilge and transom area, while exposing less components to the elements for improved long-term durability and reliability.

**ENGINE FEATURES**

- 2785cc four-cylinder engine.
- In-line design delivers excellent fuel efficiency.
- All-new Integrated Hydraulic Steering.
- All-new cooling design.
- Built to last.
- Choose Digital Electronic Control (DEC) or Mechanical Control (MC).
