Quintrex F370 Outback Explorer TS is a tough little boat that punches above its weight, built for anglers and adventurers who want stability and reliability in a compact package. Matched with a Yamaha F25HP 4-stroke tiller steer, this setup offers easy handling, quiet performance, and excellent fuel efficiency. Light enough to tow behind most small vehicles, it is perfect for creeks, estuaries, and calm bays. The carpeted floor and fuel tank rack make it practical for a day on the water, while the transducer bracket sets you up for sounder installation.
