

## Quintrex F390 Outback Explorer + Yamaha F25hp - I'M SOLD!

\$16,990

### Description

In-stock now - Quintrex 390 Outback Explorer

Quintrex 390 Outback Explorer pairs tough, stable tinnie performance with Yamahas punchy F25HP 4-stroke for creek, dam and bay adventures. This package keeps it light and easy to tow with a Quintrex light alloy trailer, while smart upgrades like a front casting platform, fully carpeted low floor and transducer bracket make it fishing ready from day one. The tiller steer layout keeps the cockpit open for crab pots, kids and gear, and the electric start kit plus 24L Yamaha fuel tank add genuine convenience and range. If you want a simple, reliable aluminium boat that is easy to launch, cheap to run and built for exploring, this 390 Outback Explorer is the sweet spot.
