Description

The Quintrex F420 Explorer package is a great choice for those seeking a versatile and dependable tinnie. This unpainted model is built with making it easy to maneuver and ideal for exploring various waterways. The package includes a Quintrex light alloy trailer featuring 13-inch galvanized wheels and adjustable components to ensure smooth transport and easy launching. Powered by a Yamaha 30HP 4-stroke tiller with power trim and tilt, electric start, and an alloy prop, the Explorer delivers reliable performance and effortless handling. The boat is fitted with a marine-rated battery and isolation switch, ensuring a dependable power supply for all your adventures.
